

Call for Speakers

The Utility Solid Waste Activities Group (USWAG) is pleased to announce a call for speakers for its Advanced PCB Workshop to be held April 9-11, 2024, at the Hyatt Centric Buckhead in Atlanta, Georgia.

USWAG has identified the nine key topical areas described below and requests that speakers complete this form to indicate their interest in being invited to speak on one of the topics. In general, each speaking slot will be 45 minutes. Potential speakers should plan for 35-40 minutes of presentation time, allowing 5-10 minutes for Q&A.
