Subject: **Summer and Fall 2023 Sponsorship Opportunities**

As USWAG moves into the second half of its 45th anniversary year we have a full schedule of events remaining as highlighted in the updated [USWAG Meeting Schedule](#) available online.

Currently, USWAG is opening the following events for sponsorship:

- August 29-30 – SPCC Workshop (Washington, DC)
- October 18 – USWAG 45th Anniversary Dinner (Washington, DC)
- November 14 – TSCA & Chemical Management Committee Meeting (Atlanta, GA)
- November 15-16 – Advanced PCB Workshop (Atlanta, GA)

We invite you to review this prospectus to view the opportunities available. Also, if you have ideas for alternate sponsorship opportunities not listed, please reach out to discuss.¹ We appreciate the value and commitment that sponsors bring to making USWAG events successful and we want to be sure our sponsorship offerings meet your needs.

If you would like to lock in sponsorship at one or more events, please return this form as soon as possible via email to me at koren.dixon@uswag.org. If you have any questions, I can be reached at (202) 508-5113.

¹ Potential ideas could be to make an event even more memorable by moving a reception to an offsite historical venue or museum, attending a sporting event in lieu of a reception, etc. While these events do require a bit more pre-planning and would likely increase the sponsorship commitment, we are ready to explore any ideas you might have.

USWAG 45th Anniversary Celebration Dinner

October 18, 2023 | Hyatt Regency Capitol Hill | Washington, DC

In lieu of the informal reception normally held in conjunction with a USWAG Policy Committee meeting, USWAG will instead be hosting a formal Reception and Dinner at its Fall Policy Committee Meeting to commemorate its 45th Anniversary.

This event will include invited guests from the power industry and policy community in recognition of the support USWAG has received over its history and will include a short celebratory program following dinner.

We hope that USWAG Members and Affiliates alike will help with sponsorship of this event to make the celebration of this milestone memorable.

We are offering a variety of sponsorship levels to fit any budget.
